7th International CEDH conference

January 18-19, 2019

Homeopathy, an answer to Public Health challenges

- from children to seniors -

This 7th CEDH International Conference is centered on **the multiple Public Health Challenges**.

This is one of the keys **to advance Clinical Homeopathy practice** to promote the quality of health and quality of life of our patients.

The objective is to maintain a balance, accompany our patients with preventive and curative treatments, in clinical symptoms such as **burnout, osteoporosis, increased overuse of prescription drugs, complications from treatments, decreased quality of life...** present in our patients from the youngest to the oldest. **Patient's health is at the core of Clinical Homeopathy.**

French and international physicians and expert presenters will share **their experiences and their daily practice.**

Conferences, Q&A time and workshops will allow you **to be fully involved** during this conference and enrich your practice.

Registration fee includes:

**Access to all scientific sessions,
lunches, coffee breaks
and the Gala Dinner** (seated dinner)

Guest fee for the dinner: 72€

The conference will be held at the:

Hyatt Regency Nice

Palais de la Méditerranée
13-15 Promenade des Anglais
06011 Nice Cedex 1 - France
